

With Sincere Gratitude...

The FES Field of Dreams

would not be possible without the financial and logistical support of
Mary Weber Landscape Architecture, Bunnell-Lammons Engineering, Ellum
Engineering, T&K Utilities, K-Wall, McAbee Land Surveying, J.L.S. Paving

REACH Animal Emergency & Specialty Hospital, The McClure Foundation, TNT, The Glass Foundation, Imladris Farms, Ferguson, Waterworks, Material Sales, Eden Brothers, High Country Truck and Van, The Garden Spot, Hickory Nut Gap Farm, Buncombe County Schools, The John Michael Hale Foundation, Lowe's Store 617, Caterpillar Inc., Flip Fest Gymnastics Camp, The Fairview Farmer's Market, The Fairview Town Crier, The FES PTA, and Several Anonymous Donors.

Of Special Note...

As you may have noticed, one of the large oak trees on the playground had to come down due to significant deterioration in the trunk. Please know that the wood of that tree is being given back to our community through the kindness and hard work of the Firewood Ministry of Trinity of Fairview. The tree has been cut up and hauled away by volunteers who will deliver it to families in need this winter.
